

Glory Arena - Official Game Rules

1. General and Behavioral Rules

1.1. Respect for Other Players:

- Any insults, disrespect, or use of inappropriate language is prohibited.

1.2. Prohibition of Insulting and Defaming Admins and Multi-Hunters:

- Insulting, defaming, or spreading false accusations against admins and multi-hunters is prohibited.
- Admins and multi-hunters are only responsible for monitoring rule enforcement and do not interfere with gameplay.
- Any violators will have their accounts deleted without prior warning.

1.3. Prohibition of Defamation of Other Players:

- Accusing other players of cheating, using bots, or engaging in illegal activities without valid evidence is prohibited.
- Accusations must be made through the official reporting system, not through public chat or profile descriptions.

1.4. Prohibition of Inappropriate Content in Profiles and Alliances:

- Writing defamatory, offensive, or racist content, or promoting websites in profile or alliance descriptions is prohibited.
- Violations will result in content removal and possible disciplinary actions, including penalties or bans.

2. Gameplay Rules

2.1. Use of One Account:

- Each player is allowed to have only one account per server.
- Using multiple accounts (multi-accounting) for unfair advantages is prohibited.
- Violating this rule will result in the deletion of additional accounts and potential banning of the main account.

2.2. Fair Play:

- Any exploitation of bugs, loopholes, or unfair methods to gain advantages is prohibited.

2.3. Prohibition of Account Trading:

- Buying and selling accounts or game resources is strictly prohibited.

2.4. Alliance Rules:

- Alliances must manage their activities fairly and within the rules.

3. Technical Rules

3.1. Prohibition of Bots and Extensions:

- The use of bots, scripts, or browser extensions that automate gameplay or provide unfair advantages is prohibited.
- Violators will be warned initially, with the account being banned or deleted in severe cases.

3.2. Attempting to Hack or Cheat:

- Any attempt to hack the server, gain unauthorized access to data, or make unauthorized changes to the game is prohibited.
- Violators will have their accounts banned immediately and may face legal consequences.

3.3. Prohibition of Code Manipulation:

- Players are not allowed to alter or manipulate the game code.

3.4. Reporting Issues:

- Players are required to report any bugs or issues to the support team.

4. Sanctions and Penalties

4.1. Enforcement of Rules Without Exception:

- All players are required to comply with the rules, even if they have made purchases such as gold.

4.2. Account Deletion in Case of Violation:

- Serious or repeated violations will result in permanent account banning and even account deletion.
- Payments made will not be refunded in case of account deletion due to violation.

5. Rule Modifications

- The game rules may be updated from time to time. Players are required to review and comply with the latest version.

6. Personal Information Protection

6.1. Responsibility for Personal Information:

- Players are responsible for securing their personal information, including usernames, passwords, and any other private data.
- Sharing personal information with others or third parties is the player's responsibility.

6.2. No Responsibility of Management Team:

- The management team is not responsible for any negligence or failure to secure personal

information by the player.

- In case of a data breach due to personal security negligence, the support team is not obligated to recover or compensate for any lost data.

6.3. Security Guidelines:

- Players are advised to use strong passwords and protect their account information.
- Players should not share their account details with others.
